ANNUAL RAFFLE - HUGE SUCCESS

The camphor chest, built by Alvin Wallace, that was raffled and given away during Bell's annual Christmas parade, generated more than \$500 in revenue for the Club. The Board appreciates the members' efforts in selling the raffle tickets. Not only did Alvin donate the chest, he was also one of the major sellers of raffle tickets. Pictured above is Gary Taylor reading the name of the lucky raffle winner. Next year the Club plans to raffle a major item and two smaller prizes.

PRESIDENT'S CHALLENGE

The Club has decided to have another egg challenge for the members. This year you will not be limited to only using a skew to make your eggs. The Club wants each member to make two eggs and bring them to the March meeting. Carl Rehberg will distribute the eggs to local organizations for their Easter Egg Hunt for the commu-

nity's young citizens. Try to keep the size of your eggs to resemble a standard size chicken egg from the local supermarket or farmers market.

CHRISTMAS COVERED DISH

The Club's annual Christmas covered dish dinner was well attended and special thanks to Kent Harris for donating and preparing the delicious smoked meat. All attendees enjoyed the great food and fellowship throughout the evening. There will be

another President's Challenge for the Christmas Covered Dish Dinner this December. Details will be provided later. Visit the Club's website

for more pictures of the Christmas dinner as well as photos from past functions, presentations and demonstrations.

The Board extends a special thanks to Peggy Taylor for bringing Christmas decorations and to Jimmy Sapp for sharing his Christmas creations with us at the dinner.

CHRISTMAS BELL PARADE SELL

The weather did not cooperate this year but the Club still was well represented by some excellent work produced by our members. Next year more members are encouraged to display and sell their work. This is a good opportunity to show case the Club in the local community and attract new members.
