

Bell Wood Turners

July 12, 2007

DEMO DAYS

The Club's annual DemoDays / Sale is slated for July 28 at the Bell Community Center in Bell, Florida from 9:00 AM to 4:00 PM. All members are encouraged to bring some of their work to sell. The \$5.00 registration fee has been waived this year. Each member is expected to donate six weed-pots that will be given away to attendees. This is the Club's biggest fund raising activity so keep selling those raffle tickets.

BOWL TURNING CLASS

The Club had six members sign up for an all-day class on natural edge and bark edge bowls. Mr. Berrie Harding, a professional woodturner, was the instructor. The wood for the class was donated and prepared by Club member Bill Smith, the owner of ABC Tree & Stump Removal.

From the left: Alvin Wallace, Del Porter, Kailob Rehberg, Carl Rehberg, Kent Harris and instructor Berry Harding. Barbara Haws is missing from the picture.

TREASURE REPORT

Beginning Balance.....	\$2,205.36
Revenue	165.93
Expenses	50.00
Ending Balance.....	\$2,321.29

BUCK 'N A BOWL

The Club needs donations from members for items to raffle during the monthly meeting. All proceeds help the Club meet ongoing expenses.

JUNE SAW DUST SESSION

Charles Watson and Gary Taylor demonstrated how to make hollowing tools for Club members. A group of woodturners from Oak Hammock, pictured below, attended the session. Charles

supplied and tempered the metal for the tool and Gary supplied and turned a handle. Then Charles did hollowing demonstration. Gary presented the tool to our guests to use in their woodturning shop at Oak Hammock.
